Subject: Budget hearing - your help needed
BLUE BOOK, Big Book.zip
Harmful Algal Blooms.docx

Per Ryan, I am asking your help to create VERY abbreviated versions of our current fact sheets for each topic listed below. We envision just a few talking points per subject, no background information, with one subject per page.

An example of one I prepared for Harmful Algal Blooms is attached.

We need these as soon as possible – **can you please provide to me by 5:00 pm ?**

Air - Mandy

- Legal basis for delaying 2015 ozone rule (Jenkins)
- New Source Performance Standards for New Residential Wood Heaters (Pingree)
- Targeted airshed grants (Calvert)
- Impact on West Virginia of the Cross State Rule (Jenkins)
- War on coal (Jenkins)
- Regional Haze (Simpson)
- DERA (Calvert)

Land/Superfund Byron

- Gold king mine OIG report
- Superfund enforcement cuts and impact to identifying PRPs

Water - Sarah

- Harmful Algal blooms, particularly related to potential loss of data collected at Great Lakes (Kaptur)
- Twin Falls, ID and phosphorus in water, as well as the Magic Valley along mid-Snake River (Simpson)
- Puget sound (Kilmer)
- Great Lakes (Kaptur)
- Backlog On Sewer and Water Maintenance Projects (Simpson)
- Status of Lake Erie- Ohio portion (Kaptur)

Research and Science Holly

- Research cuts/science/science advisory board dismissals
- IRIS
- Board of Scientific Counselors

General Holly/Troy

- Claim of 50,000 coal jobs (McCollum)

- VERA/VSIP (McCollum)
- Rescission, particularly related to Great Lakes
- Cooperative Federalism vs. budget cuts to the states
- Workforce levels/how to achieve them
- Protective service detail
- Region 5
- Elimination of Environmental Justice
- Tribal Water Act and how the Administrator intends to enforce and review these laws
- Impacts to Tribal communities
- Cuts to enforcement and impacts on the ability to enforce
- Responses to non-Majority Members of Congress

OCSPP -Nancy

- Ecolabels for forest products
- PRIA fees
- OCSPP Pesticides Funding and rules
- Lead paint cuts
